

Wednesday, August 31st, 2016

10:00 am	Optional boat cruise to the North part of Skiathos Island
----------	---

Thursday, September 1st, 2016

09:00 am	Welcome and Registration
09:30 am	Lefteris Violettas DEYASK Vice President Welcome
09:40 am	Ewa Magiera Project Coordinator, University of Silesia, Poland Presentation of ISS-EWATUS project
09:50 am	Shuang- Hua Yang Professor, University of Loughborough, UK IoT in water consumption at household level
10:10 am	Elpiniki Papageorgiou Assistant Professor, TEI of Sterea Ellada, Greece Forecasting water demand with FCM
10:30 am	Coffee break
11:00 am	Tomasz Jach University of Silesia, Poland ISS-EWATUS <i>Water Diary</i> : Participatory approach for water savings
11:20 am	Dimitrios Kofinas CERTH / Ph.D. Candidate University of Thessaly, Greece Estimation of leakage in water distribution networks
11:40 am	Dimitra Perperidou Dotsoft Presentation of «Water Social»
11:40 am	Discussion
12:30 pm	Lunch, Skiathos Palace Hotel
Free Time	
06:00 pm	Dimitrios Prevezanos Mayor of Skiathos Island Salutation
06:10 pm	Konstantinos Agorastos Governor - Region of Thessaly Salutation
06:20 pm	Georgios Marinakis Mayor of Rethymno President of EDEYA Salutation
06:30 pm	Eleftherios Violettas DEYASK Vice President Presentation of DEYASK, Skiathos water utility
06:50 pm	Chrysi Lapidou CERTH / Associate Professor, University of Thessaly, Greece Presentation of Skiathos Case Study
07:30 pm	Ioannis Sarris Executive Director of DEYASK DEYASK after ISS-EWATUS
07:50 pm	Discussion
09:00 pm	Gala Dinner

Οργάνωση:

Friday, September 2nd, 2016

10:00 am	Sambit Sahu Manager and Research Scientist, IBM T.J. Watson Research, New York, USA IBM intelligent water solutions
10:30 am	Bambos Charalambous IWA Water Loss Task Force Applying advanced techniques and methodologies in water distribution networks for leakage reduction
10:50 am	Vasilis Kanakoudis Associate Professor, University of Thessaly, Greece Pressure, water demand and energy management in water distribution networks and the role of models simulating network operation and consumer behavior
11:10 am	Coffee break
11:40 am	Dimitrios Foufeas OLYMPIOS TRADING Applied technologies for the integrated management of water distribution networks
12:00 pm	Nikolaos Petroulias Hellenic Water Association (H.W.A.) Greece towards the adoption of the IWA Water Loss Best Practice
12:20 pm	Discussion
12:30 pm	Lunch, Skiathos Palace Hotel
02:00 pm	Sandjai Bhulai Professor, Vrije Universiteit Amsterdam ISS-EWATUS: Dynamic water pricing tool
02:20 pm	Armando Di Nardo Professor, Second University of Naples, Italy Water network partitioning of Skiathos Island based on advanced topologic and energy optimization algorithms
02:40 pm	Julia Terlet Cardiff University, UK WISDOM project: understanding Consumer Views on Water Savings in UK
03:00 pm	Marco Petitta Professor, "La Sapienza" University of Rome, Italy KINDRA project: making groundwater visible
03:20 pm	Andreas Kallioras Assistant Professor, National Technical University of Athens, Greece FREEWAT project: Software Tools for Water Resources Management
Free Time	
05:00 pm	Optional visit to Evangelistria Monastery
06:00 pm	Welcoming ceremony of the 1st EU boat-Sailing boat «Traité de Rome»

Saturday, September 3rd, 2016

10:00 am	Optional boat cruise to the North part of Skiathos Island
